Help us Support local women with cancer.

Raise The Gong are a Wollongong based, health promotion charity, committed to promoting the health and well-being of local women – with a particular focus on women’s cancers.

We have our Hollywood Gala Fundraising Dinner on its way on Friday 16th September and are in need of sponsorship and donation of prizes for our silent auction and for giveaways on the night. We are more than happy to take any suitable items – large or small...we’ll take anything you can give!!

There are different sponsorship packages available – some of which include FREE tickets to the event – please see the sponsorship packages outlined on the following page.

If you cannot provide financial sponsorship, you may just wish to come along and support the event – we’d be happy to have you there! Visit our website www.raisethegong.org.au to book your tickets online, or call us on 0413 868 059 and have a chat to one of our volunteers.

All our sponsors are publically thanked at our events, with logos displayed. In addition, we have logos for all sponsors on our website www.raisethegong.org.au, and are more than happy to link back to your site to further promote your business. We also mention sponsors in our newsletters that go out to around 200 people each season. Tax-deductible receipts can also be issued on request for the value of donated items.

Raise The Gong is 100% volunteer run, and is dependent on donations and the generosity of sponsorships to keep going and promote health in our local region. We have some great ideas for future events, so your money will go back into the local Illawarra community, and directly assist women with cancer.

We sincerely hope you will consider supporting Raise The Gong in our efforts to improve the health and well-being of Wollongong women.

If you require any further information, please contact us on info@raisethegong.org.au.

Regards,

The Management Committee
